

Gujarat Water Infrastructure has issued two distinct invitations for bids for the design and construction of the Dhanki to Tokrala Bulk Pipeline.

The scope of work includes the design and construction of a 45-kilometer bulk pipeline from Dhanki to Tokrala (up to a national highway crossing), as well as the construction of RCC U/G sump, pump house, SITC of pumping machinery, and ancillary works, as well as 10 years of comprehensive operation and maintenance at Dhanki pumping station, as part of the Dhanki to Navda Bulk Pipeline Project (Package-I, NC-42). The project is worth Rs 447.82 crore
