

Adani Green Energy Ltd (AGEL), the renewable energy branch of the diversified Adani Group, has agreed to supply 4,667 MW of green power to the Solar Energy Corporation of India (SECI).

According to Adani, this is the world's largest ever green power purchase agreement.

"This is yet another step in our journey to enable India's objective to accelerate renewable energy footprint. Adani Group has committed \$50-\$70 billion of investment in the renewables space. This agreement keeps us on track to our commitment to become the world's largest renewables player by 2030," Gautam Adani, chairman at Adani Group, was quoted as saying.
