

Relaxo Footwears Ltd (RFL) has announced the commissioning of an additional 1.5 lakh pair per day of footwear capacity at its Bhiwadi, Rajasthan, facility, bringing the overall capacity across all categories and plants to 10 lakh pair per day of footwear.

Additionally, some incremental increases in existing capacity have been due to up-grading, capacity balancing, and augmentation through increased shifts of operations, improved process cycle times, and the addition of balancing Plants & Machineries, as required, in existing Plants, according to the company in a regulatory filing.
