

Allcargo Group, has opened a Grade A storage facility in Hosur, Tamil Nadu.

Modern warehousing facility with a 1.10 lakh square foot footprint has been used to manage the consolidation and distribution service needs of industrial and automotive supplier Schaeffler.

The warehouse facility, which is conveniently situated near Hosur Denkanikota Road, provides quick access to significant highways that connect to critical distribution hubs across Tamil Nadu and beyond. It is equipped to effectively meet the aftermarket and OEM supply chain management needs of the automobile industry.

“To meet the growing warehouse demand, the Allcargo Group has created a pan India footprint of Grade A warehousing with Robust technology backbone. The Hosur, warehouse is strategically positioned to meet the growing supply chain needs of automotive OEMs and aftermarkets. It will further strengthen our service delivery capability for the automotive OEM industry. Our focus is on offering customers enhanced delivery competencies throughout with end-to-end solutions.” an Allcargo Group spokesperson commented
