

The Andhra Pradesh state government estimates that the first phase of the Ramayapatnam Port Trust will be completed by 2023.

The Ramayapatnam port will be constructed in two stages. The anticipated cost of the first phase is Rs. 3736 crore. With a 25 million tonne cargo handling capacity, it is projected to include four berths, including a coal terminal, two container berths, and one multipurpose berth.

With an investment of Rs 6904 crore, phase 2 will increase the cargo handling capacity by 113.63 million tonnes, bringing the total capacity from 19 berths to 138.54 million tonnes annually.
