

During the state investment promotion board meeting Andhra Pradesh Chief Minister YS Jagan Mohan Reddy granted permission for the establishment of several large-scale industries in AP.

Wind and solar power projects, IT parks, a 100MW data centre, an electro steel casting unit, a new energy park, and investments in food, fuels, and other industries are among them. Among the projects approved are a 90-acre IT park in Bhogapuram and two 100-megawatt data centres in Kapuluppada.

The chief minister, who presided over the SIPB meeting, urged officials to support industrialists and investors and ensure that all projects are completed on time. Also, ensure that 75% of all jobs in emerging industries are filled.
