

In Andhra Pradesh's Sheela Nagar, the Central Public Works Department (CPWD) has issued a request for proposals for the building of a 400-bed hospital (G+7) for ESIC.

The scope of work includes internal water supply, sanitary installations, UG sumps, terrace tanks, water treatment plant, rain water harvesting system, bore wells, sewage treatment plant, effluent treatment plant, internal roads, pathways, parking facilities, filtered and unfiltered water supply lines, storm water drains, external sewerage system, furniture and other horticulture-related work.

The project is expected to cost Rs 344.39 crore and would take 36 months to complete.
