

The Asansol Division of Indian Railways has successfully commissioned private siding of Maithan Power Limited at Thaparnagar, Jharkhand, in accordance with the Prime Minister's vision "Gati Shakti" and the Ministry of Railways' policy regarding the "Gati Shakti Multi-Modal Cargo Terminal" (GCT), according to the Ministry of Railways.

Speaking at the commissioning of the GCT, Chairman and CEO, Railway Board, V K Tripathi said, "The Maithan Power Project was initiated in the year 2009 and subsequently, the power generation was started in the year 2011. The requirement of coal to the power project was being made through road which is expected to convert into 120 inward coal rakes per month. Also, two to four outward rakes of Fly Ash is projected to be handled from the siding. This will enhance railways' earnings by approximately ₹ 11 crores per month."
