

Asian Granito India Limited (AGL), one of the country's top Luxury Surfaces and Bathware Solutions companies, has completed site acquisition for all three of its forthcoming greenfield production units in Gujarat's Morbi. Civil work, including site development, building construction, and engineering work, will begin at the three production locations soon.

The company wants to build three state-of-the-art production facilities in Morbi, Gujarat, in the Value Added Luxury Surfaces & Bathware Segments, comprising GVT Tiles, Sanitaryware, and SPC Flooring, as part of its massive growth ambitions.

At Morbi, the company is also constructing one of India's largest display centres.
