

Asian Granito India is constructing one of the world's largest showrooms in Morbi, Gujarat, India's Ceramic Tiles heartland, to showcase the whole product range of the AGL Group. AGIL has finalised plans to expand its existing factory in Dalpur, Gujarat, to add 800 square metres per day of Quartz manufacturing capacity. After this extension, the daily manufacturing capacity will be around 2,400 sq mtr.

Amazoone Ceramics, a subsidiary of Asian Granito India, is constructing a quartz manufacturing plant with a daily capacity of 1,800 square metres.

Gresart Ceramica, another AGIL company, is investing Rs 75 crore in Morbi to build India's largest wall tile production. In H2/FY23, commercial manufacturing is planned to begin.
