

[Aton Sunlogics](#) is a company specializing in the manufacturing of solar panels. The company is planning to expand its operations by setting up a new solar panel manufacturing plant in New Industrial Area Kandrori, Tehsil Indora, Kangra, Himachal Pradesh. This project is estimated to cost Rs. 35.633 million and is planned to have a production capacity of 75000 solar panels. As of February 2023, the company is in the process of getting approvals from the state government. Aton Sunlogics is committed to providing sustainable and environmentally friendly energy solutions to its customers, contributing to the growth of the renewable energy sector.
