

Azure Power Global, an Indian solar developer and power producer, has completed the construction of a 300-MW solar power plant in Rajasthan.

The recently constructed solar park at Bhadla is part of the Rajasthan 8 Interstate Transmission System (ISTS) project, which was funded by the Solar Energy Corporation of India (SECI).

For a period of 25 years, the latter will purchase the facility's production at a rate of Rs 2.58 per kWh.
