

Bharat Heavy Electricals (BHEL) has completed R&M (Renovation & Modernization) and commissioned the third and final unit of the Baira Siul Hydro Power Station in Himachal Pradesh's Chamba district.

The station's first and second units were renovated and put into service in December 2019 and October 2020, respectively.

After a competitive bidding process, BHEL was awarded the contract for the R&M of Baira Siul Hydro Power Station's three units.
