

Power Grid Corporation of India (PGCIL) has granted a supply of goods/services contract to **Bajaj Electricals'** EPC Business sector, totaling Rs 332.65 crore.

To boost its ATC from ISTS, the company has received an order for the “765 kV D/C Navasari (New) (South Gujarat) – Padghe line (Maharashtra section)” under the “Transmission line Tower Package TW04.” The aforementioned project must be finished within 15 months of the NOA/issuance LOA's date.

Manufacturing electrical equipment is what Bajaj Electricals does. Domestic appliances such water heaters, mixers, food processors, microwave ovens, air conditioners, steam and dry irons, etc are produced by this company.
