

South Bihar Electricity Distribution Company Ltd. has awarded Bajaj Electricals' EPC division a contract worth Rs 564.87 crore, the company announced. According to the company's regulatory filing, the contract is for the delivery of products and services by South Bihar Power Distribution Company Ltd (SBPDCL), a domestic entity, under the Revamped Distribution Sector Scheme (RDSS). The expansion of the distribution infrastructure for the Bihar electric supply circles Sasaram and Munger comprises the delivery of plant and installation services, it was said. "Distribution Infrastructure of Electric Supply Circle Sasaram (Rohtas and Kaimur districts); and Distribution Infrastructure of Electric Supply Circle Munger (Munger and Lakhisarai districts) of Bihar," said Bajaj Electricals in the filing.
