

[Beingcare Pharmaceuticals](#) is planning to undertake a new pharmaceutical manufacturing project in Industrial Area, Kirpalpur, Tehsil Nalagarh, Distt. Solan, Himachal Pradesh. The project involves the manufacturing of various pharmaceutical products, including tablets, capsules, oral powders, syrups, oral oils, creams, gels, lotions, ointments, serums, nasal sprays, and inhalations. The estimated cost of the project is Rs. 139.122 million, which will cover the purchase of new equipment, the hiring of additional staff, and the construction of new facilities to accommodate the increased production capacity. The project will allow Beingcare Pharmaceuticals to meet the growing demand for pharmaceutical products and improve their overall competitiveness in the market. The State Single Window Clearance & Monitoring Authority approved the company's proposal in February 2023, indicating that the company has met all the necessary requirements to undertake the manufacturing project. As of March 2023, the project work has commenced, and Beingcare Pharmaceuticals is working diligently to ensure that the project is completed on time and within budget.
