

[Beryl Agrichem Opc](#) plans to set up a new bio pesticide and PGR (Plant Growth Regulator) manufacturing project in Ujjaini, Tehsil - Pithampur, District - Dhar, Madhya Pradesh. The project aims to manufacture 50,000 KLT of bio pesticide & PGR, 100,000 M.T of micro nutrient fertilizers, 50,000 KLT of liquid pesticide formulation, and 50,000 M.T of solid pesticide formulation. The estimated cost of the project is Rs. 350 million. As of March 2023, the company has obtained consent from the state pollution control authorities to establish the project, meaning that the necessary permissions and approvals have been obtained to set up the manufacturing unit and begin production.
