

Bharat Serums and Vaccines Global would spend Rs 200 crore in Genome Valley to build an injectable and vaccine production plant.

Industries and IT Minister KT Rama Rao announced this on the microblogging platform. “Glad to announce that @BSV_Global decided to announce that they will set up a state of the art injectable and vaccine manufacturing facility in @GenomeValley with an investment of Rs 200 crore,” the tweet said.

“Thanks to the MD of BSV @SanjivSnavangul Ji. This will consolidate Hyderabad as the vaccine hub of the world,” Rama Rao further said in the tweet.
