

The Board of Directors of BIGBLOC Construction Ltd have decided to expand its footprint in Maharashtra by installing a new Greenfield Project of AAC Blocks with a capacity of 5,00,000 cubic metres per annum in Palghar District.

This will be India's largest factory. Capex will be around Rs. 75 crores, with a mix of debt and equity financing. Carbon credits will be available for the plant as well.

Bigbloc Construction Ltd., incorporated in the year 2016, is a Small Cap company operating in the Building Materials sector.

Bigbloc Construction Ltd. key Products/Revenue Segments include AAC Blocks for the year ending 31-Mar-2021.
