

Birla Corporation, a subsidiary of the MP Birla Group, has said that it plans to nearly increase its cement manufacturing capacity to 30 million tonnes per year in the next five years, by 2027.

A company statement said it has an “aggressive expansion plan” and will expand in markets where it has an edge over its competitors.

MP Birla Group Chairman Harsh V Lodha said, “Plans are afoot to reach a target of 30 MTPA by 2027.”
