

MP Birla Group company Birla Corporation intends to grow its cement manufacturing capacity by 50% to 30 million tonnes annually by 2030.

The company, which invested Rs 2,744 crore to commission a greenfield operation in Mukutban, Maharashtra, wants to build additional facilities and increase the output of already-existing ones.

“[Birla Corporation Ltd](#) is committed to increasing its annual cement production capacity to approximately 30 million tonnes (MT) by 2030. Our current production capacity stands at 20 million tonnes,” it said.
