

For the upcoming Pink Line in Phase II of the Namma Metro project, which connects Kelena Agrahara (Gottigere) with Nagawara over a distance of 21 kilometres and has 18 stations, Blue Star, an air-conditioning and commercial refrigeration and engineering, procurement and construction (EPC) firm, has obtained two orders worth 390 crore from Bangalore Metro Rail Corporation Limited (BMRCL).

The first order, worth 203 crore, would be a turnkey project that involved maintaining the [Tube Ventilation System](#) (TVS), Environmental Control System (ECS), and SCADA (supervisory control and data acquisition) for six underground stations and related tunnel sections in Reach 6 of Phase II.

The six underground stations are Vellara Junction, M.G. Road, Shivaji Nagar, Cantonment, Pottery Town, and Tannery Road.
