

Blue Star increased 1.05% to Rs 1463.45 following the company's announcement that it has effectively expanded its footprint in the Railways segment by securing Railway Electrification orders of Rs 575 crore.

The West Central Railway (Kota Division), the Central Organization for Railway Electrification (CORE), and the Metro Railway in Kolkata are among the illustrious clients from which the company has received four orders for railway electrification.

The managing director of Blue Star, B Thiagarajan, continues, "We are pleased that we are helping towards the expansion and development of the railway infrastructure in India because railways are one of the primary emphasis areas of the Indian Government.
