

Bonfiglioli conducts 'Bhoomi Puja' for Rs 100 crore High Tech Assembly Facility in Pune | 1

Bonfiglioli Transmissions Pvt. Ltd., based in Chennai, conducted a “Bhoomi puja” in the presence of clients, partners, government officials, the leadership team, and staff, for a 42,500 square metre high tech, smart assembly facility in Pune.

Bonfiglioli Riduttori S.p.A. is a global leader in Power Transmission & Drive Solutions.

The company already has a 7,500 sq.mt., assembly facility in Pune. The new, bigger facility, scheduled to commence operations by November 2023, will be set up with an investment of Rs 100 crore.

The new facility will feature high tech and real time smart assembly operations and will boast of an eco-friendly and people-friendly environment.

With the proposed expansion in assembly operations, the company aims to better serve its markets in the western region catering to over 20 verticals in the discrete manufacturing and process sector. It will also offer a wide range of customised products, reduce lead time, quick delivery timelines due to increased proximity.
