

Bosch Global Software Technologies (BGSW), previously Robert Bosch Engineering and Business Solutions (RBEI), announced the opening of a new centre in Pune, in Panchshil Business Park in Balewadi. In April 2022, the centre will open for business.

In the first year of operations, BGSW expects to expand its Pune team to 1,500 specialists, with an emphasis on worldwide project delivery. From Pune, the business plans to develop connected goods and solutions for the automotive and digital core corporate domains by 2023, with a workforce of 3000 people by 2025.

The centre will complement BGSW's efforts in new-generation automotive and digital technologies.
