

Bridge & Roof Co (India) has issued a request for proposals for the civil works of a stream alumina facility.

Construction of various types of foundations and linked civil works in connection with civil and structural works for NACL's fifth stream alumina plant in Damanjodi, Odisha, and related facilities at Visakhapatnam Port in Andhra Pradesh are included in the scope of work.

The project's anticipated cost is Rs 118.62 crore, with a 14-month completion time.
