

CESL, a state-owned company, has signed a letter of intent with the Indian Institute of Technology Bombay (IIT-B) to build electric vehicle charging stations around the country. Energy Efficiency Services Ltd's subsidiary Convergence Energy Services Ltd (CESL) is a wholly-owned subsidiary of Energy Efficiency Services Ltd.

Both parties will work together on technological advancements in the electric vehicle charging domain, including the development of flagship products, standardisation of technical specifications, solutions for meeting EV charging capabilities, and customised solutions for the Indian EV charging ecosystem, as part of this partnership.
