

The much-anticipated business jet terminal at [Cochin International Airport Ltd \(Cial\)](#) is almost finished, and its opening is anticipated for the second week of December.

According to official sources, the terminal, which will include five-star amenities for passengers on chartered flights in both the local and international sectors, has around 90% of its construction finished.

Last year, Cial handled around 1,000 chartered flights, and the airport plans to take advantage of this market's potential to boost aero-vertical revenue from the premium business jet terminal.
