

Crompton Greaves Consumer Electricals Ltd has opened the Crompton Experience & Innovation Centre in Vikhroli, Mumbai, which is the company's largest R&D facility. Crompton will hire 200 engineers for the new centre, with expertise in Mechanical, Electronics, Software, IT, and Data Engineering, as well as User Centric Designs (ID design-product design).

Crompton's efforts to introduce new customer-centric innovation through the clever use of the newest smart, and efficient technologies will be aided even further by the new R&D centre.
