

Dalmia Cement (Bharat) is increasing its investments in Jharkhand, demonstrating its commitment to national development.

In Bokaro, the company has worked with 16 villages and six Gram Panchayats to drive its multiple social and climate action activities, which are benefiting 20,000 people across the state.

The total investment is expected to be Rs 758 crore. This includes a Rs 567 crore investment on a grinding plant at Bokaro that will add 2.6 million tonnes per annum to the unit's overall capacity of 6.3 million tonnes per annum.

It will also invest Rs 250 crore in a solar power plant and Rs 8 crore in a material recovery facility and legacy waste-bio mining activity for the Ranchi Municipal Corporation's solid waste management.
