

Dalmia Cement (Bharat) Ltd. (DCBL) is spending 300 crore on its current manufacturing unit in Belagavi, Karnataka.

By March 2024, the firm aims to have created up to 700 additional positions.

“We plan to invest 200 crore to 300 crore in the next two years towards manufacturing expansion, in terms of enhanced production capabilities, and renewing our energy commitment by planning a **solar power capacity** installation of 9MW to reduce electricity consumption by half,” said Sunil Aggarwal, Regional Director, South, DCBL.
