

The Delhi Metro is installing 65 kilometres of additional lines on three routes as part of Phase 4.

As part of phase-IV, DMRC wants to extend the capacity of its Mukundpur Depot to serve additional lines under development. The Delhi Metro Rail Corporation (DMRC) has opted to enhance the capacity of its Mukundpur Depot to handle new lines under construction as part of phase-IV, indicating the rapid development of the Delhi Metro.

The Delhi Metro is adding 65 kilometres of additional lines in Phase 4 in three corridors: Majlis Park to Maujpur (12.31 kilometres), Janakpuri West to R K Ashram Marg (29.26 kilometres), and Delhi Aerocity to Tughlakabad (23.62 km).

These routes are currently under development.
