

Dhampur Sugar Mills Limited approves expansion of distillery capacity
in Asmoli Unit | 1

The Board of Directors of [Dhampur Sugar Mills Limited](#) have examined and approved the expansion of distillery capacity at the Company's Asmoli plant from 150,000 to 250,000 LPD. The Company's overall capacity will be increased from 400,000 to 500,000 LPD as a result of the proposed expansion.

From the date of ordering the main plant and equipment, the expansion of the distillery plant from 150,000 LPD to 250,000 LPD is projected to be completed in ten (10) months.

As a result, commercial production is expected to begin at the Distillery on November 1, 2021, with additional capacity.
