

Dilip Buildcon has been designated as the L-1 bidder for the National Highways Authority of India's (NHAI) Hybrid Annuity Mode (HAM) competition in Jharkhand.

The project involves four-laning the Mehgama-Hansdiha portion of NH-133 in Jharkhand, from current Km 41+900 to existing Km 93+000, in a hybrid annuity manner. The project will take 24 months to complete. The project's bid cost is Rs 976.00 crore.

Dilip Buildcon's major business is completing road and irrigation building projects across India. State and national highways, city roads, culverts, and bridges are among their specialties.
