

The project “Four Laning of Sangli Solapur Section of NH-166 from existing Ch. Km 314.969 to Ch 370.452 of length 56.500 km in Maharashtra under Hybrid Annuity Mode” has been partially completed, according to Dilip Buildcon.

The authority had issued a Provisional Completion Certificate, declaring the project ready for commercial operation as of December 14, 2021.

“From humble beginnings in 1987 to a road focused EPC leader in 2017, DBL’s journey is characterized by hard work, respect for relationships, and a drive to excel in anything they take up. They have upheld the tradition of giving their best to all projects since conception. DBL’s value-centric delivery, execution process and commitment to innovation have set the stage for the next phase of growth,” says the company’s website.
