

[Dr. Babasaheb Ambedkar Vaidyakiya Pratishthan](#), a healthcare organization, is planning to set up a new multi-speciality hospital in Rajabari chaha Bagicha, Thowra, Demow, Sivasagar, Assam. The project involves the construction of a multi-speciality hospital with a total capacity of 300 beds. The hospital will be equipped with the latest medical facilities and technologies to provide comprehensive healthcare services to patients. The land area for the project is 66,671 square meters, which is sufficient for the construction of the hospital, along with its various departments and facilities. The estimated cost of the project is Rs. 4910.8 million, which includes the cost of land acquisition, construction, equipment, and other expenses. As of March 2023, the project is awaiting environmental clearance from the relevant authorities.
