

DYNEMIC PRODUCTS LIMITED

[Dynemic Products Limited](#) has stated that commercial production of Dye Intermediates Plant at its Dahej, Gujarat manufacturing facility began on January 3, 2022.

The cost of constructing the mentioned plant, which has an annual capacity of 12144 MT, is estimated to be around Rs. 93 crores. Part of the project's cost was covered by Term Loans obtained from banks, while the rest was covered by internal accruals.

The goal of this project is to meet the captive demand for our units as well as meet demand in the domestic and international markets.
