

A call for bids for the construction of contemporary steel silos has been issued by [Food Corporation of India](#) (FCI).

The DBFOO (Design, Build, Finance, Own and Operate) mode is to be used to manage projects.

Under the public-private partnership (PPP) model, the FCI intends to build 249 steel silos with a total capacity of 111.12 lakh tonnes at locations scattered across 12 states.

An investment of Rs 9,236 crore would be required.

The [FCI](#) would build 80 silos with a total capacity of 34.87 lakh tonnes in the first phase, dispersed over nine states and one UT.
