

On Tuesday, Reliance Industries Limited (RIL) and BP's fuel and mobility joint venture, Reliance BP Mobility Limited (RBML), unveiled their first Jio-bp branded mobility station in Navde, Navi Mumbai.

Working in a challenging pandemic-affected environment, Jio-bp is introducing a network of world-class Mobility Stations offering customers several fueling options, according to the Jio-bp release. The existing network of approximately 1400 gasoline pumps will be rebranded as Jio-bp in the coming months, offering a new set of customer value propositions.

The market for fuels and mobility in India is rapidly expanding. Over the next two years, it is predicted to be the world's fastest-growing fuels market
