

The largest seller of lignite in the nation, [Gujarat Mineral Development Corporation \(GMDC\)](#), a prominent mining PSU, has revealed that it is considering forming a partnership with technical consultants for the dry beneficiation technology pyrite/sulfur removal plant. For more than 60 years, the Government of Gujarat Enterprise [GMDC](#) has been a mining innovator, meeting the solid fuel and mineral demands of both Gujarat-based and non-Gujarat-based enterprises. The State's Kutch, Devbhoomi Dwarka, Bhavnagar, Bharuch, Panchmahal, and Banaskantha districts all have [GMDC](#) mining operations. Lignite, bauxite, fluorite, manganese, ball clay, silica sand, bentonitic clay, and limestone are among the minerals it now deals in.

The GMDC has also set up a 250 MW lignite-based Thermal Power Station at Nani Chher in Kutch, a Wind power plant of 200.9 MW at Maliya, Jodiya, Godsar, Bhanvad and a Solar Power plant of 5 MW at Panandhro Project.
