

Godrej & Boyce said its power transmission division has received orders worth over Rs 550 crore in the domestic T&D (transmission and distribution) market.

“[Godrej & Boyce Mfg. Co. Ltd](#), one of the pioneers in manufacturing, announced that its power infrastructure and renewable energy business unit has secured orders of over Rs 550 crores in the power transmission business,” a company statement said.

Orders in the domestic T&D market include 400kV new AIS substations, 220kV new GIS substations, 220kV transmission lines, and 220kV underground cables, according to the statement. We are thrilled to have received additional orders in these trying times.
