

The government has issued a request for proposals for a pilot manufacturing zone in the electricity and renewable energy sectors.

The Union power ministry had previously issued guidelines approving the piloting of a programme to establish a manufacturing zone for the electricity and renewable sectors with a budgeted cost of Rs 400 crore over five years.

This is a central sector scheme with a five-year implementation period from FY 2022-23 to FY 2026-27. An official release stated that the deadline for submitting an Expression of Interest is June 8, 2022.
