

Govt approves construction of Rs 2,415 crore project to connect Haryana with Jewar airport | 1

The government has authorised the building of a road connecting Haryana to the future Jewar International Airport in the Gautam Budh Nagar region of Uttar Pradesh, according to Union Minister Nitin Gadkari.

According to Gadkari, a budget of Rs 2,414.67 crore has been authorised for the building of greenfield connection to Jewar International Airport from DND Faridabad-Ballabhag Bypass KMP link in Gautam Budh Nagar district as part of the Bharatmala project in Uttar Pradesh and Haryana.

The minister stated in a series of tweets that this 31.425-kilometer road will be built in a hybrid annuity format.

The project would connect Agra, Mathura, and western Uttar Pradesh, and construction will last two years, the road transport and roads minister stated.
