

Grasim Industries Limited has successfully completed the commissioning of the Caustic Expansion Project in Rehla and the Commencement of Caustic Production in Balabhadrapuram.

The Company has successfully commissioned the second phase of the expansion project at Rehla (80 TPD Caustic Soda Lye), bringing the entire Caustic Soda Lye capacity of the Rehla Unit to 550 TPD.

In the year 2019, the Company purchased the delayed Chlor Alkali Project of 200 TPD from KPR Industries (India) Ltd in Balabhadrapuram, Andhra Pradesh.
