

Gujarat Metro Rail Corporation (GMRC) Limited has provided Titagarh Rail Systems Limited (formerly Titagarh Waggon Limited) with a Letter of Acceptance (LOA) dated June 27, 2023 regarding the “Design, Manufacture, Supply, Testing, Commissioning and Training of 72 nos. of Standard Gauge Cars for Surat Metro Rail Phase-I Project I.”

The estimated order value is INR 857 crore, and after the contract is signed, execution will begin. It will then take 132 weeks to complete.

TRSL offers mobility solution to billions, with its prominent presence in both Passenger and Freight Rolling Stock. TRSL is the largest private sector manufacturer of Wagons, and an established player in the railway coaches (EMUs, MEMUs) sector.

TRSL recently received the largest-ever order for Wagons from Indian Railways, and is currently also executing the order for 104 Metro Coaches for the Pune Metro. While TRSL is India’s undisputed leader in the wagon manufacturing space, it is also among India’s very few integrated manufacturers of passenger rail systems.
