

Gujarat State Electricity Corporation issues tender for 40 MW
photovoltaic power plant | 1

[Gujarat State Electricity Corporation](#) has issued a request for proposals for a solar photovoltaic power plant with a capacity of 40 megawatts.

The scope of work includes the design, engineering, supply and procurement, building, installation, testing, commissioning, operation, and maintenance of a solar photovoltaic grid-connected power plant in the Gujarat districts of Manjal and Junachay.

The project is projected to be around Rs 160 crore.
