

For the construction of a six-lane elevated corridor, Gujarat State Road Development Corporation has issued a request for proposals.

The scope of work involves the design, build, finance, operate, maintain, and transfer (DBFOMT) modified annuity basis construction of a six-lane elevated corridor along the Bharuch-Dahej Road (SH-6) from Bholav Junction to Shravan Junction.

The project is about 420 crore rupees, according to estimates.
