

Vedanta Ltd group company, Hindustan Zinc has invited Expression of Interest (Eols) from bidders to set up a new melting and casting facility for Zinc Alloys and Zinc Dust plant on the engineering, procurement and construction basis within one year in Rajasthan.

“Eols are invited from reputed, well-experienced, financially sound, bidders to set up fully automated melting and casting facility for Zinc Alloys and Zinc Dust plant,” the company published an advertorial.

In a statement, Hindustan Zinc claimed that a new subsidiary firm is being founded in RD Complex-Rajsamand, Rajasthan, to produce various zinc alloy products. According to the corporation, the new company will be able to focus on higher quality and more efficient manufacturing.
