

In Hisar, JSHL commissions a 26,000-tonne precision strip mill | 1

Jindal Stainless (Hisar) Limited (JSHL) has announced the commissioning of a precision strip mill with a capacity of 26,000 tonnes per annum at its Hisar NSE 1.25 percent factory. JSL said in July that it would invest Rs 450 crore in its Specialty Products Division (SPD), with Rs 250 crore going toward increasing precision strip manufacturing capacity. “As part of the first phase of its newest brownfield expansion strategy, JSHL today commissioned a 26,000 TPA capacity precision strip mill,” the firm said in a statement.
