

The Gangwal School of Medical Sciences and Technology will be built at the Indian Institute of Technology (IIT) Kanpur using an EPC model. The scope of work comprises all civil, electrical, and mechanical works as well as specified works for medical services as stated under the terms and conditions of the contract. It also involves the construction of a 500-bed super-specialty hospital block (G+5) and academic block (G+5). The contract has a 350.75 crore rupee value and a 20-month completion period. The deadline for proposal submissions is March 24, 2023.
